

It's *time to celebrate* the people who make Rotary's lasting impact possible!

Consider purchasing an ad in the District Celebration program to showcase your president and club's impact and recognize the time, talent, and resources that make it possible.

Your Club President, fellow Rotarians, and Leadership Teams have turned vision into action--serving both our local communities and the world through impactful projects and spirited fundraising. Together, you are not only making hope a reality, you are helping *create lasting impact*.

As we celebrate this year's spirit of the *Summer of Love*, we invite your club to share that story and amplify your impact by sponsoring an ad.
